PROFESSIONAL SUMMARY

Result oriented professional with proven knowledge of problem-solving leadership, and prioritization skills. Works at fast pace environment to meet tight deadlines. Proven ability to quickly learn and apply new tools and technologies to enhance application optimization and user experience. Enthusiastic team player ready to contribute to company success.

EDUCATION

Master of Science in Information Technology
Shri M. M. Patel Inst of Sciences and Research, India, 2018

Bachelor of Computer Applications
Gujarat University, India, 2016

SKILLS

- HTML5, CSS3, JavaScript (ES6)
- React JS, Next JS, TypeScript,
- Redux, React Hooks, jQuery
- Material-UI, Tailwind CSS, Bootstrap, Figma, DOM
- SCSS, SASS, Styled-Components
- Node JS, Express JS, Rest APIs
- MongoDB, MySQL,
- JWT, OAuth
- Jest, Enzyme, Jenkins
- GitHub, Bit-Bucket, CI/CD, AWS
- Webpack, Babel, SDLC, ESLint
- Optimization, Debugging,

CERTIFICATIONS

- JavaScript - view
- Advanced CSS and SASS - view

ACTIVITIES

- Completed training on "7 Habits of Highly effective people" to improve Life skills.
- Completed "Sarva-Netrutva" program to be proficient in Leadership skills.

WORK EXPERIENCE

Front End Developer

Sapratigs   *Feb 2023 – Present*

- Spearheaded the development of front-end web solutions, demonstrating a deep understanding of ReactJS, Next JS, Redux, and related technologies.
- Collaborated with cross-functional teams to deliver high-quality software products, meeting client requirements and deadlines.
- Actively participated in continuous integration and deployment (CI/CD) processes using GitHub.
- Stay informed about emerging technologies and industry trends to continuously improve the development processes.
- Debug errors, troubleshoot issues, and perform routine performance optimizations to maintain optimal software performance.

Full Stack Developer

SaturnCube Technologies   *July 2019 – Jan 2023*

- Successfully contributed to the web design and implementation of ReactJS and Next JS based applications, showcasing comprehensive knowledge of Typescript, and Hooks.
- Utilized advanced testing libraries such as Jest, Jest DOM, and React testing libraries to ensure robust and reliable code.
- Implemented unit and automated tests using testing frameworks like Jest, React Testing Libraries.
- Optimized components for application performance, guaranteeing smooth user interactions.

PROJECTS

EHR System
Electronic Health Record System to record patient's full health history built with Next JS, and Material UI.

EV India   view
E-Vehicles dealership and vehicle Information platform built with React, Node, Bootstrap.

Elumat   view
Innovative tool meticulously crafted to inspire students to practice their maths and language skills built with React and Node.
